

Tony Yang, CFA, CPA, FRM

Tony is a Charlotte-based Director in KPMG's Financial Risk Management advisory group, and has extensive business experience in finance and risk management. His focus is on quantitative analysis and model validation (CCAR/DFAST, PPNR, ALM, Market Risk and Valuation models), model risk, market and treasury risk (ALM, liquidity, capital), and financial derivatives and fixed-income securities valuation.

Prior to joining KPMG LLP in 2006, Tony worked for Fannie Mae in the capital markets area. Prior to that, Tony worked for Constellation Energy Group in the Controllers Group and Risk Management Group.
